Join Us!

The 2011 MEPC will include:

- Motivating and educational speakers
- Golf on one of the Island's top-rated golf courses
- Opportunities for networking
- Social activities for the family
- And much, much more!

Bring your Family!

Accommodations will be provided through the Grand Hotel, and will be available beginning in April via the MEGA website, www.gomega.org.

2010 Conference attendees rated this conference as "highly effective" and a "great opportunity to network and learn about breakthroughs in the electric and gas industry". Bring your family and enjoy Michigan's unique tourist destination, while also networking and learning about the most up-to-date topics in the electric and gas industries.

We are looking for your input – Have you heard an informative speaker you feel would make an impact? Is there a topic you're interested in hearing more about? Simply reply to this email with your speaker/topic suggestions for considerations in the 2011 MEPC conference.
